Methodist Church Breaks Ground for New Addition

Ground breaking ceremonies for the new Christian Education unit of the Antioch Methodist Church, was held Sunday at 10:30 a.m.

Doctor Charles S. Jarvis, Elgin District Superintendent, spoke at the building site as did the Pastor, Rev. Donald M. Cobb, and several church and church school officials.

Church representatives were Elmer Eberman, chairman of the trustees, David Cain, treasurer of the building fund, Wayne Polsgrove, church school superintendent, Clifton Houghton, lay leader, Mrs. Robert Duha, Sr., president of the Women's Society of Christian Service, Milburn Cain, president of the Methodist Men's Club, and Kathy Palinski, vice president of the Methodist Youth Fellowship.

Two hundred persons attended the ceremony.

The building will be of one story, brick and glass addition to Wesley Hall, costing approximately \$140,000. It will consist of seven classrooms, two offices, a kitchen and rest rooms.

Democrats Will Hold Outing August 10

It's official now. The annual picnic of the Lake County Democratic Central Committee will be held Saturday, August 10, starting at 12 noon at the Serbian Monastery, Rte. 63 north of Libertyville.

A full afternoon of games, races and contests including a unique treasure hunt has been arranged for the youngsters by Robert Wagner, of Lake Villa, and his games committee, according to Frank Spose, general chairman for the picnic.

Another committee co-chairmaned by John Quisenberry, of Highland Park, and Adam Schmitt, of Waukegan, has planned a series of games and races for those of voting age and over.

Speaking honors for the afternoon program will be shared by Seymour Simon, president of the Cook County Board of Commissioners, and John Watson, of Springfield, assistant director of the state department of Education and Registration.

Other special guests will be Cook County Assessor P. J. Cullerton, Chicago Alderman William Cullerton, State Representative Jack Bairstow, Circuit Judge Philip Yager, and other public officials.

In addition to the games and contests there will be plenty of refreshments and music for dancing from 7 p.m. to 11 p.m.

Others working on the picnic arrangements are Clark Dykes and John Scullion, of Libertyville; Harriet Kupperman and Margaret Rey, of Waukegan; Rose Pechaty and Mark Turner, of Antioch, and Dick Bowes, of Wauconda.

Kenosha Fair Opens Aug. 8 At Wilmot, Wis.

Wilmot, Wisconsin, will be a busy little town this week as the 43rd annual Kenosha County Fair opens today at 9 a.m. The program is jammed full of events for the four days the fair is scheduled to run.

Feature attraction at this year's fair will be the presentation of the Broadway Musical "Guys and Dolls." Star of the production Peter Palmer, recently appeared in the 20th anniversary revival of "Oklahoma." Palmer is best known for his appearance in "Li'l Abner."

Appearing with him in the role of the mission doll, Sarah Brown, will be Cathy Emma. The young soprano, star of the NBC Artist Showcase Series, was recently seen in the off Broadway show, "The Fantastiks."

The production is scheduled for 8 p.m. Sunday, Aug. 11. There will be one performance only.

FIREWORKS SPECTACLE THURSDAY

Opening night of the fair will begin with a program of amateur acts put on by the County Schools. Immediately following will be the introduction of the five queen finalists and a gigantic fireworks display. Admission to these events is free.

Friday's big attraction will be the Drum and Bugle Corps contest at 7:30 p.m. Five outstanding Drum and Bugle Corps from the Midwest will compete for cash prizes and trophies. The crowning of the Fair Queen will cap the evening's free program.

An added feature for Friday's program will be a sky-diving exhibit by members

Village Hall Contract Postponed to Aug. 16

John Horan Resigns Post as Antioch Civil Defense Director

The Antioch Village Board opened the bids for the new village hall Tuesday night at their regular meeting held at 8:07 p.m.

Builders of Antioch turned in the low figure of \$19,807.16. Other bids were \$20,020.00 from J. F. Ivester Co. of Grayslake, \$23,500.00 from M. W. Heath & Son of Antioch, \$22,987 plus \$797 for extras from Benes Construction Co. of Antioch, and \$22,700 from Vos Construction Company of Antioch.

Walsh Plumbing and Heating Company and the Elm Electric Company turned in bids on the electrical wiring only. The two figures were \$845 and \$744 respectively.

The meeting was adjourned to August 16 pending investigation of the bids by a committee formed of the entire board. Some difficulty has been encountered in that the specifications on the original blueprints are not clear. "Some contractors are bidding on light fixtures at \$50 and some at \$450," Cunningham said. "Bids on paneling ran from \$50 a foot to 25¢ a foot," he added.

"The committee will have to attempt to co-ordinate the bids and get everyone on the same basis before a decision can be made," he said. Cunningham added that "It is possible that when everything has been figured on the same basis that the low bidder could turn out to be the high bidder."

"It is hoped that the contract can be let at the August 16th meeting," Cunningham said. Architect for the project is Elmer A. Anderson of Glenview, Ill.

"Funds for the project will come from the Village General Fund," Cunningham said. "We will not need a referendum as we have the funds available and the construction will cause no increase in taxes." In a surprise action earlier in the meeting, a letter of resignation from John Horan, acting village Civil Defense Director, was read. No reason for the resignation was given and Mr. Horan was unavailable for comment.

Trustee Ernest Glenn said, "It will be difficult to find anyone who will do as good a job and be able to spend as much time in the position as John has." Glenn made a motion to table the acceptance of the resignation for 30 days, allowing the board an opportunity to talk with Horan and attempt to keep him in the position. Motion was carried.

Orchestra and Cast to Launch HMS Pinafore Friday, August 9

The Palette, Masque and Lyre will launch their second production of this season Friday and Saturday when they present Gilbert and Sullivan's "H.M.S. Pinafore." Curtain time is set for 8:15 p.m. at the Antioch Community High School.

The musical comedy is centered around life in the British navy during the 1890's. A little mystery is thrown in to give the audience some added flavor.

Ken Smouse will be in for double duties in this presentation as he is directing the production and also portraying the part of Rafe Rackstraw. George Olisar is the music

director and will be serving as conductor on opening night. The large 20 piece orchestra is made up of residents of Antioch, Waukegan, Libertyville, Zion and Kenosha.

The cast includes Robert Thomley as Sir Joseph Porter, Lloyd Pedersen as Captain Corcoran, Ken Smouse as Rafe Rackstraw, Bill Wolfenbarger as Dick Deadeye, George Hoogasian as Bill Bobstay, John Anderson as Bob Becket, Judie Turner as Josephine, Sue Barrett as Cousin Hebe and Roberta Arndt and Jill Anderson as Little Buttercup. Roberta and Jill will alternate Friday and Saturday nights respectively in the role of Buttercup.

Tickets may be obtained from members of the cast, the Lake Region Jaycees information center or at the door the evenings of the performance. The presentation will serve as a sort of debut for the group as it will mark their first attempt at a full musical production.

"The success of this presentation financially will to a large extent determine next year's play schedule. It is hoped that enough can be made on HMS Pinafore to finance a broader season of entertainment for Antioch residents next year," a spokesman for the Palette, Masque & Lyre said.

Additional tournament information can be obtained by phoning Mr. Shunnesson at Antioch 395-1434.

Contest for Mr. & Mrs. Fisherman Starts Soon

The second annual Illinois Mr. and Mrs. team fishing tournament will open on Monday, Aug. 12, with a 13-day eliminations on Channel Lake and Lake Catherine here in the Chain O' Lakes region.

The championship finals will be held on Sunday, Aug. 25, also on the two same lakes.

Sponsoring the popular tournament is Barney Shunnesson, operator of the Channel Lake Boat House, which is situated on Channel Lake, a few yards northwest of the Illinois State highway 173 bridge.

Winner of the Mr. and Mrs. Illinois title will receive a trophy donated by the Channel Lake Boat House and also qualifies to represent the state in the World Series to be held Nov. 2-3 at Bull Shoals Lake, Ark., where Everett Crow of the Crow-Barnes resort is acting as the host.

The 1963 Illinois Mr. and Mrs. Champions will be provided with transportation expenses to and from Bull Shoals by Shunnesson and they'll be guests of Mr. Crow while at Bull Shoals.

All fishing must be done from boats. Both live and artificial baits will be allowed. The two team anglers with the most points at the end of the day will be declared winners and finalists for the Aug. 25 "fishoff."

Daily winners shall be declared by their catch using the following table of points: Northern pike, black bass, walleye, 10 points per each fish and five points for each pound of fish; rock bass, warmouth bass, bluegill, white bass, crappie, sunfish, bullhead and catfish, 1 point per fish and 4 point for each pound of these fish.

There is a minimum size for each fish caught and also a daily limit per couple. Each contesting team will be given a set of rules upon registration.

Additional tournament information can be obtained by phoning Mr. Shunnesson at Antioch 395-1434.

First Hospital Fund Returns Encouraging

The Countryside Hospital Campaign results as of the first of August report meeting are \$65,000 in pledged monies and \$15,000 in cash.

These preliminary returns represent results only from part of the returns of Lake Villa and Antioch townships, as the Campaign time schedule calls for a later report schedule for Grant and Avon townships.

The returns as of Monday night, August 5th, do not include all of the pledges that were returned, as time did not permit a complete computation.

Dr. W. C. Petty, Countryside Hospital Campaign General Chairman, said, "We at Campaign headquarters are very encouraged by these early results. The reports from our captains and representatives are very favorable and the entire campaign team is in full operation."

Petty urged all captains to make their returns, even if only partial, to the Campaign Headquarters, 100 S. Milwaukee, between 9:00 a.m. and 5 p.m. Monday thru Friday or on Saturday, Aug. 17, between 9 a.m. and 12 noon.

The Special Gift Industry and Community Organizations Committees of the Campaign team are now in the final stages of organization for a campaign meeting on Monday, Aug. 19, in Lake Villa Grade School at 7:30 p.m. to discuss solicitation plans.

Operation Spotlight Conducted in Antioch

The Lake County Safety Commission announced the intensified enforcement program as conducted last year through the cooperation of the Lake County Law Enforcement officials took place in the Antioch, Lake Villa and Lindenhurst area August 2, according to E. G. Landen, and safety commissioner Lindy Skowronski.

The complete enforcement program will be conducted over a period of several weeks—throughout different areas of Lake County on unknown days, for "X" number of hours on an undisclosed day of the week.

The kickoff of the program was conducted from the Antioch, Illinois Police Department with Chief Walter Scott hosting the law enforcement officials which included Chief Ronald Coles of Lindenhurst; Chief Paul Bocox of Lake Villa; with support from the Illinois State Police, District No. 2, Sgt. John Murrie, Captain Harold Scheskie of the Lake County Sheriff's office; and Lt. Samuel Maxwell of the Secretary of State's auto investigators patrol.

Landen said that seventeen fatalities occurred in Lake County during the month of July which is the highest number of deaths ever experienced for one month period since the commission was authorized by the Lake County Board of Supervisors in 1956. This extreme reversal in the number of deaths has shocked the populace of Lake County and this

means of an intensified enforcement endeavor will no doubt have its effects in decreasing property damage accidents, injury cases, and fatalities in all areas of the county.

It has been pointed out that the area in which the spotlight was conducted last night has experienced two fatal accidents resulting in two deaths since the first of the year. This particular area has shown a decrease in fatal accidents and resulting deaths as compared with the same period in 1962.

Chief Scott indicated that on August 2nd there were 18 citations issued for various moving violations and a total of 13 warning tickets presented to the erring motorists in the three villages and two township districts.

Extensive plans for this endeavor have been under way since early spring of 1963 due to the excellent cooperation shown as a result of the initial "Operation Spotlight" program of 1962 when the Governor of the State of Illinois, Otto Kerner, key-noted the program with his wholehearted support. As a result of such programs the number of deaths on Lake County highways dropped 30% in 1962 (68) over the 1961 total (95).

As an extra attraction all units of the participating enforcement agencies were invited by the Lake County Safety Commission to preview a safety film, "Last Clear Chance" produced by the Union Pacific Railroad through the cooperation of the Colorado and Utah Police Departments.

Chicken Bar-B-Q A Success Sunday

The chicken Bar-B-Q held by the Lions Club Sunday at the Aqua Center was rated a success, officials said this week. Over 600 chickens were served to the patrons of the affair Sunday.

Ed Kugle of Antioch was the lucky winner of a side of beef. The hind quarter went to Lyons-Ryan Ford, and Fred Szymanski of Antioch took home the fore-quarter.

The steer, a ribbon winner at the Lake County fair last week, was donated to the Lions club by the State Bank of Antioch.

Back to the Drawing Board

Frank Angelotti of Applied Engineers was supposed to have presented the plans for the new sewer line to be installed in the south portion of the Village at the Board meeting last night, but it seems Mr. Angelotti encountered a problem.

Word is that in taking a final look around the area Tuesday he noticed workers from the State Highway Department busily constructing traffic islands and signals at the intersection of 173 and 83. Now Mr. Angelotti will have to revise his plans to take this new construction into account.

It seems that no one in the Highway Department had thought it necessary to notify the Village of their plans. We can't help but wonder what response we would get if we suddenly began tearing up Main Street for one purpose or another and neglected to tell the State about it.

At any rate, for Mr. Angelotti, it's back to the drawing board.

Your Governor Reports by OTTO KERNER

The Illinois State Fair, offering a colorful 10 days of entertainment and exhibits, opens its 111th year Friday, August 9.

Featured entertainment includes comedian Andy Griffith, who heads an all-star Grandstand night show on Saturday, Aug. 17. Appearing other nights will be such attractions as a three-ring circus, an ice show and the famed "Grand Old Opry" performers.

The fair continues to be the world's largest agricultural exposition. There will be more than a mile of farm machinery on exhibit. Prize cattle, sheep, goats, swine and poultry will pick up more than \$94,000 in prizes. On hand once again will be the

brilliant horse show, which attracts the greatest number of entries in the nation.

To thousands of persons the state fair means harness racing and the fair will offer six afternoons of competition, involving many of the top trotters and pacers in the country. There will be quarter horse racing on opening day.

For those who prefer a different type of racing, the popular big car 100-mile auto race will be Saturday, Aug. 17, and the 50-mile motorcycle race on the fair's final day, Sunday, Aug. 18. The nation's best drivers and riders will compete.

New this year is an authentic Indian village and a "Gaslight Square" section complete with "cabarets," nickelodeons and a boardwalk from the Gay 90's era.

Other attractions include a series of personal appearances by television personality Debbie Drake, an exhibit of a one-man "Buck Rogers-type belt that lifts a man 60 feet in the air, a typical Russian single-family dwelling, the world's largest automated concert organ, many military displays and the usual fun-filled carnival.

One of the events that gives me the most pleasure will be the dedication of a new Junior Livestock Building on opening day. The building is a fitting tribute to the care and hard work that go into so many junior exhibits, sparked by such organizations as 4-H Clubs and the Future Farmers of America.

I have only touched upon some of the high spots of our exposition, which we believe to be the finest of its kind in the world. There is only one way for you to find out for yourself—come to the fair.

A fixed object is something that cannot be moved by an automobile crashing into it at high speed. Fixed object collisions according to the Institute for Safer Living, are the fourth leading cause of accidents, killing nearly 4,000 persons annually! Guard rails, roadside trees or poles and concrete abutments are among favorite motor vehicle targets.

During the past ten years taxes on motorists have increased 83.4 per cent, "Oil Facts" reports.

In 1954 state and federal user taxes totaled \$6 billion. In 1963 these levies will produce an estimated \$11 billion.

Along The Way

with ANNIE MAE

Sometime ago a Chicago newspaper and a monthly publication printed articles on the amazing increase in parental child beating. Unmerciful adults (one can hardly class them as true parents), were found to have cruelly tortured children under the guise of "discipline." The reason for bringing this subject up is that on Sunday last this girl had occasion to be driving out on Rte. 173. Just ahead of me was an up-to-date convertible with a fashionably dressed young couple in the front seat. Seated between them was one small child, and in the rear seat perched a second child who might have been two years old at the most. Suddenly brakes squealed and the careening and swaying of the convertible indicated the car was almost out of control. Fortunately the driver slid the rocking automobile off to the shoulder in a cloud of flying dust and gravel. . . . The auto had hardly stopped careening when this male adult was pounding violently on the head and body of the small child in the rear seat. Whatever it was that prompted such an act will never be disclosed, for it was only a part of the passing scene. However, I couldn't help wondering as I drove on down the highway what might have happened had he lost control of the car as well as his temper.

THE LATEST REPORT: A new little siren has been added to the home of Bernice and Earl Pape, her name is Karen, and she's as cute as a button. . . . Ex-Antiochites Evelyn and Dee Dietrich and daughter Sue are vacationing and visiting friends hereabouts this month. . . . Bill and Gerda Lahti are busily engaged in furnishing their new house boat. . . . Dr. and Marge Ripley return today from a New York trip, where "Doc" attended a Veterinarian's convention. . . . "Al" ways a bridesmaid! Fred Hawkins just missed again this week, when he came in second in the St. Paul Open. . . . the Countryside Hospital fund drive seems to be moving a little slowly and could use a real boost, financially and otherwise. . . . If that poor steer at the Lions Club Bar-B-Q Sunday looked a little nervous, it was because everyone that looked at him, eyed him up like they had a "steak" in him.

PICTURE OF THE WEEK: (If I only had a camera) Those Antioch girls, Arlene Olzewski, Shirley Gutowski, Judy Lubkeman, and ? fighting a valiant but losing battle against the Lake Villa gals, in the water fights at Lake Villa last Sunday nite.

THE LAST DROP: Don Mentone is putting the finishing touches on his new Drive-In on Rte. 173. . . . Emil Lubkeman wins our award for the "Hot Dog" King, after all the hours he put in for the Boy Scouts during Maxwell Street Days. . . . Rosalie Lyons has kindly sent in a caricature of Annie for my consideration, and as soon as we can adapt it for this column we will have an unveiling.

DID YOU HEAR: The following is without a doubt a perfect description of a "friendly" game of bridge: The old quarrel between North and South has spread out to include East and West, and is now called contract bridge.

Courthouse Notebook

BY LOU BURKIN

Residents and village officials of Long Grove are finding out what scores of businessmen throughout Lake County have learned in dealing with the state highway department.

The hard-won knowledge is that once the engineers and planners decide that a road or curbing should be located in a particular area individual and community rights go out the window.

Like most bureaus made up of "professionals" the highway engineers make their decisions based on slide rules, computers, and surveys and then, as a sop to the public conduct a series of public hearings at which the herd is allowed to voice an opinion.

The experts are confident that nothing will be said to change their carefully prepared plans because the slide rules and computers have spoken.

Scores of businesses located at intersections have been hurt because lane dividers installed by the highway department make ingress and egress to the business virtually impossible.

This is done in the name of safety, of course, but in many cases the dividers prompt motorists to make dangerous "U" turns across traffic to go in the direction they want to go.

The residents of Long Grove would probably have a much better chance to get the proposed new route relocated if the head of the highway department was an elected official instead of an appointee.

There is a certain inconsistency in the highway department's position in that for years they have been routing highways around communities despite the cries of local businessmen and now they go through communities despite the cries of the villagers.

It seems strange that Lake County, one of the areas slated for redistricting last spring before the Illinois General Assembly acted on re-apportionment, is not represented on the realignment commission that is supposed to do the job now by a Republican.

The Democratic State Central Committee appointed Daniel Pierce of Highland Park to represent Lake County's interests, but the GOP apparently felt that a Lake County representative would be something less than objective.

This is another instance of the GOP state hierarchy taking Lake County for granted and overlooking to areas in the state less firmly in the Republican corner.

Apparently the members of the legal profession aren't content with telling the rest of us peons how we are to set up our court system and select our judges. Now they want to tell us where the new Appellate Court home bases are to be located.

Can you imagine the howl of protest from the legal eagles if the chiropractors association, the bricklayers union, or the NAAWP should offer suggestions as to where the courthouses should be located?

Next step will be the suggestion that anyone entering the new Appellate buildings who is not a practicing attorney should pay an admission charge to defray the cost of the building.

Now that the State of Illinois has authorized the sale of intoxicants in the Dunes Dungeon at Illinois Beach State Park to help bail out

the group leasing the lodge (?), an interesting question of enforcement comes up.

Will the operators have to take out a county liquor permit and be subject to county code provisions or will they be free from local control?

Can plaintiffs in dram shop suits sue the State of Illinois for damages in the event of injury or only the licensee?

Interest is growing in the possibility of a corn-eating contest between Reporter Ed Nash and Police Magistrate Dolan Bennett, of Round Lake Park, at Elmer Wolff's Annual Corn Roast for GOP officials and committeemen next Tuesday.

There are reports also of additional entries going to the post or should we say crib. Sheriff Charles Larson, who would have to give away inches in girth to Bennett, is insisting on handicapping system before he enters the fray.

While the Republicans are preparing for the corn contest the Democrats are completing plans for their annual picnic at the Serbian Monastery, Rte. 63 north of Libertyville on Saturday.

A top subject of discussion will be the possible lineup of candidates for state representative if the veteran Jack Baird decides to step down.

STAY WITH ORIGINAL OBJECTIVE

The Lewiston, Idaho, News has contributed an interesting editorial to the vast literature, of both praise and criticism, which surrounds the tax-supported Rural Electrification Administration and its largely tax-free member cooperatives.

The News does not denounce the REA—it believes that it has done and still does an excellent job in the areas whose problems brought about its creation—that is, the areas where it was not feasible to supply electricity on the usual commercial basis. But it does question a current trend and intention.

In its words: "... we certainly did not create REA so that it might one day compete with private enterprise. And this, of course, is what REA is attempting to do at this very moment. . . . REA has a worthwhile job to perform. And that job is to bring service to those who live away from established free enterprise lines. If (a) private power companies can do the job, indeed there should never be any question of 'who gets the customer.'

'This point of view has much to recommend it. For one thing, it is based on economic justice. For another, it is based on economic reason—a reason which becomes more and more important in an era when, it seems, we are to spend more money while collecting less in taxes and running up bigger and bigger inflationary deficits. Let REA and the member co-ops be given full credit for the excellent work they have done in many instances. But let them be held to their proper task—which is not to usurp areas of service, some urban and industrial, which now, as always, are taken care of by private enterprise with total adequacy.

Parents registering their children for the fall term at a Detroit kindergarten were asked pertinent questions about the children's background. In the blank marked "Language spoken in the home," one mother proudly replied, "nice."

Dear Sirs:
Being a school teacher, retiring this year, I read with much interest, the story in the Chicago Tribune for Saturday, July 27, of young John Klosek and would like to make a plea in his behalf.

During the course of my teaching career, especially in the past few years, I have met up with, and had a hand in molding, I hope for the best, the characters and lives of many children around his age. I find that if approached in a kindly, interested and positive manner they will very often straighten themselves out.

Too many of our boys and girls are unfortunate, in that they seem to pick out the wrong kind of parents. Too often these youngsters have to pay for the sins of these parents. There seemed no one to help, and John took, what, in his child's mind, was the quickest and shortest way of removing the cause of the heartache which affected every member of his family.

Isn't there some way to keep his name clean? He has a good face and with a desire to attend church and to take part in the wholesome activities of the community, it would seem that there is much to be said in his favor. I think it would cost about \$250.00 per year to send a boy to Boys' Town. John would have four years, which would make him eighteen—about \$1000.00. Then he would leave school with an education and a vacation. To go there would mean that he would be with boys of his own type (others who have come from broken homes) ready to help and to be helped. He would come out a credit to his country and to his God. Fr. Wagner, I'm sure could always find room for "one more boy" in Fr. Flannagan's Boys' Town, Nebraska.

Perhaps the people of the Antioch area would raise a fund to send him there. I'm enclosing a check for \$10.00 to add to that fund.

Cordially yours,
Marion McD. Wayne

P. S. One of my former pupils, the youngest of six boys, came from a family with a father as delinquent as John's, was sent to Boys' Town. He loved it there and with two older brothers, whom the army had rehabilitated, helped to restore the family to its rightful place in the community, now proud and respected citizens.

Tollway Revenue Off

MINSDALE, Ill. — Preliminary traffic revenue of the Illinois Tollway for July of this year was \$2,864,900 as compared to \$2,972,458 for the same month a year ago, a decrease of \$118,168 or 4.0 per cent. It was announced today (Thursday) by A. H. Knauerhaze, executive director of the Illinois State Toll Highway commission.

Revenue figures, subject to audit adjustment, indicate traffic revenues of \$14,464,872 for the first seven months of 1963 as compared with \$14,995,358 for the same period of 1962, a decrease of \$527,486 or 3.5 per cent.

Average daily toll revenue for July, 1963, was \$92,074 as compared to \$95,886 for the same month a year ago. Average daily toll revenue for the first seven months of 1963 was \$68,231 as compared to \$70,733 for the same period in 1962.

Mundelein to Host All-American Days

A four day celebration has been planned for Mundelein that should be one of the biggest events in Northern Illinois this year. The August 14 through 17 celebration called All-American Days will feature all the excitement and fun of an old-time independence celebration.

During the celebration each merchant store will decorate as one of the states of the union. Employees will dress in accordance with their state theme. Window displays will be based on the theme. As a tie-in, a giant retail promotion has been planned which will be called the "Spirit of '76" Sale Days. Thousands of items will be sold from 76c to \$17.76.

In addition, over \$1,000 in merchandise certificates will be given away. Over 50 stores will offer free registration for \$20 merchandise certificates. Drawings will be held Saturday night at the hootenanny. Winners need not be present.

The celebration will open Wednesday, August 14, with a 1:00 p.m. Celebrity Luncheon. Over a hundred top names throughout the United States have been invited. The highlight of the luncheon will be the presentation of awards to Mundelein's ALL-AMERICAN FAMILY, who will preside over the three day affair. At 2 p.m., rides and amusements in three shopping locations will open.

Three plane loads of sky divers will descend into the practice field directly west of the Mundelein High School football field at 7 p.m. They will dive from their planes at 7200 feet, setting off colored smoke bombs and aerial displays while somersaulting in free fall. Rip cords will be pulled at 2,000 feet. It should be a thrilling spectacle for young and old. At 8 p.m., the Mundelein merchants will do battle with the Little League managers and coaches at the high school football field in a donkey baseball game.

Many other events are scheduled for the four day celebration, including a children's costume parade, artillery shoot, orchestra and

chorus concert and a women's water fight. Capping the 4 day event will be a hootenanny scheduled for Saturday evening at

ALL ABOUT BABIES

A Public Service of the National Baby Care Council

MORE TIME FOR BABY

By Dr. Ernest Dichter, Pres. Institute for Motivated Research, Croton-on-Hudson, New York

From time to time, I believe this column should consider mother. For there can be no argument that whatever affects mother, also affects baby.

There is one thing the modern mother does not seem to have too much of, even with household automation. And that is time—time not only for herself, but also for her baby.

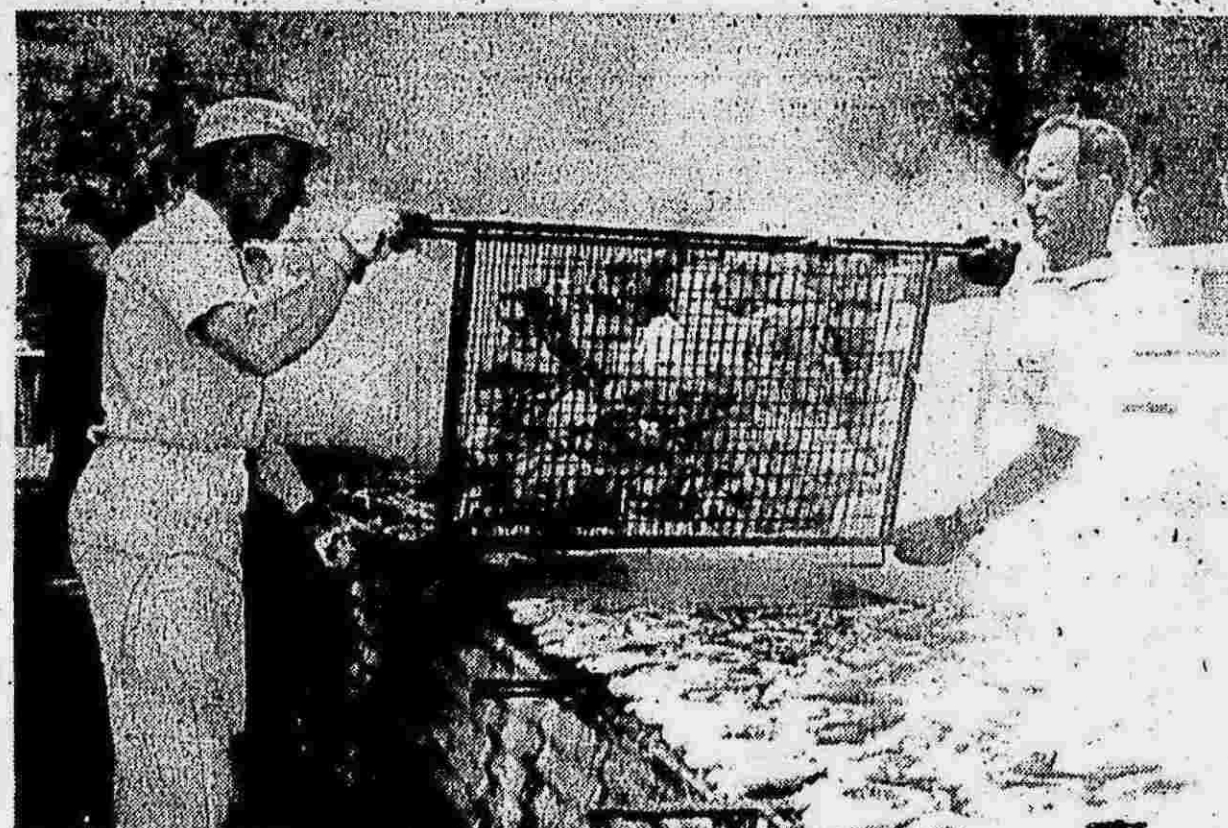

In a recent motivational research study we did for the nation's diaper service industry, interviews with young mothers indicated they place as much value on their time as they do their labor.

The survey showed that young mothers today are more realistic about the use of household equipment and more sound in their application of household economics and time-management.

They realize that while much of the drudgery and toil has been eliminated by labor-saving machinery, no one has eliminated the need for someone to fill, operate, watch, empty, clean and repair the machines. Clothes and dishes still must be prepared by hand. The bigger the wash, the bigger the ironing, handling and folding. The more buttons, levers and controls, the more things to remember, operate and maintain.

As a result, more young mothers today are using the latest advancements in complete outside service in conjunction with the sensible use of home equipment. This they have found, provides them with more time to spend with baby and other members of the family.

Our motivated research study showed that the American families using professional diaper service, two-thirds also own automatic home laundry equipment. The interviews revealed that these families realize that for about 38 cents more each week, baby's diapers can be processed professionally and scientifically by a diaper service and 547 hours or about

Let's see how they look on the other side. Ward Lear (left) and Howard Shepard turning a section of the grill to brown the other side. There are 20 to 25 chicken halves on each section of wire grills stretching about 40 feet down the length of the pit.

And this is how it's done. Left to right wearing aprons are Lion members Chuck Larson, Lake County Sheriff Jack Fries, adding a bit of seasoning, Ward Lear and Howard Shepard, about to turn over a batch of chickens, and Leonard Roblin and Ev Offodt at the far right working the serving line.

23 days a year can be saved. The time saved includes the mother would have to spend with three pre-rinses, four separate sudsings, six post-wash rinses to remove all soap residue, loading the washer, adding soap, bleach, softener and antiseptics at various steps in the process, boiling after washing to sterilize the diapers, drying and finally gathering the diapers

and folding them for storage. A young Pittsburgh mother of three put it all this way: "You can become a slave to the mechanics of having a baby rather than to the charms of the baby. I feel that even if you have every convenience for washing diapers at home, it's still a wasted effort because it takes time away from the children."

A skilled driver shows himself to best advantage under the worst driving conditions. The Institute for Safer Living states that real skill develops from foreseeing adverse traffic situations or road conditions and maneuvering to avoid accidents.

Joyce Arndt and Roger Leaf In Double Ring Ceremony

Carolyn Joyce Arndt and Roger L. Leaf were united in marriage in a double ring ceremony at the Methodist Church in Antioch at 3:30 p.m. Saturday, July 20. The Rev. Donald Cobb officiated at the service. The bride was given away by her father.

The bride is the daughter of Mr. and Mrs. Harry E. Arndt of Rte. 5, Box 56, Antioch. The bridegroom is the son of Mr. and Mrs. Edward Leaf of Covington, Mich.

The bride wore a bridal taffeta spaghetti strap street length gown with Ban-Lon lace, completely scalloped edge covered with pearls and sequins, a short removable lace jacket with scalloped neckline and elbow length sleeves. She wore a pillbox hat with imported illusion and bouffant veil. She carried a bouquet of white tea roses and stephanotis.

Carol E. Anderson, cousin of the bride served as maid of honor. She carried a cascade of orchid mums and white snowdrifts. Daisy Leaf, sister of the groom, and Cecelia M. Arndt and Bobbi Ann Arndt, sisters of the bride, were bridesmaids. They wore dresses of orchid chiffon over taffeta with shirred bodice and bouffant skirt with a deep hem, an over the shoulder jacket with streamers and matching blusher veil, matching shoes, and white gloves. They carried a cascade of orchid mums. Mark Haley, nephew of the bride, was ring bearer. Sgt. Melvin Youngren, cousin of the bride, was best man, and Harvey Leaf, brother of the groom, Bruce Ahlquist and Tom Haley, friends of the groom, served as ushers.

A reception for about 200 guests was held at the Angels Restaurant in Trevor, Wis. The bride and bridegroom left for a honeymoon trip to the Wisconsin Dells and Michigan, where the bridegroom's parents hosted a reception for 200 at the Bethany Lutheran Church parlor in Covington, Mich. The couple will be at home at Lake Villa after August 4.

Sheriff and Mrs. Larson Host Picnic For County Deputies

Sheriff Charles E. Larson and Mrs. Larson will be hosts to deputies and their wives at the annual picnic for the Sheriff's Office personnel August 14 in the Weeherville Picnic Grove at Sloom Lake.

It will begin at 4:00 p.m. with games and entertainment for adults and children who will be treated to pony rides. Prizes and gifts will be awarded to adults and young people for competition in games and other activities.

Larson believes that an informal get-together will provide a good opportunity to meet other families and relax. The picnic is dedicated to the wives and children so that they might know one another, not only on the official but also the unofficial side.

Class of '33 Schedules Reunion for August 10th

Invitations have been sent to members of the graduation class of 1933 of Antioch Township High School to attend a reunion Saturday evening, August 17, at Hunter's Country Club. Dinner is set for 7 p.m.

The class of 1933 held their first (25th) reunion in 1958 and at that time the members agreed to meet every 5 years.

There were 42 members in the class and all have been contacted with the exception of three, who are Edward Maly, Grace Jacobs, and Carl Haase. Any information is still wanted as to the whereabouts of these people. All the teachers have been contacted and found that a few have moved to far distant states, making it impossible to attend the reunion.

The committee in charge comprises: Bill Brook, Harold Nelson, Mrs. June Allner Schneider, Mrs. Bernice Risch Clark, and Wilma Musch-Gibbs.

Letters went to various states including New Jersey, California, Arizona, Indiana, Wisconsin, Iowa, Illinois and Florida.

Miss Alice Smith and Mr. Gerald Reed were the class advisers. Miss Smith is a resident of Antioch and Mr. Reed has been located in Oshkosh, Wis., where he is on the teaching staff of the Wisconsin State College.

Any information regarding the class of 1933 can be sent to Mrs. Bernice Clark, 574 Parkway Ave., Antioch, Ill.

Rainbow Girls Slate Meeting

The Antioch Assembly, Order of Rainbow for Girls, will meet on Monday, August 12, at 7 p.m. at the Masonic Temple.

Marge Gillum, W. A. will preside over the meeting. Mrs. A. Bloom and daughter, Sue, and her committee will be in charge of refreshments. It is important that all officers and members attend this meeting so that plans for the Camp Out which will be held at Timber Lake Park on August 16-17-18 can be completed. Mr. and Mrs. J. Briski will be assisting the girls with all the plans.

Susan Lindblad and Sue Bloom next in line for Worthing Advisor, will discuss their money making project which will be a dinner held on Saturday, Aug. 24, at Wesley Hall, Methodist Church. All the members will have tickets to sell and jobs to do.

Monday evening Mrs. Donald Gibbs, M. A., accompanied girls to Bensenville for a reception for Kitty Palmer, Gr. Rep. to Florida. On the same evening Mrs. W. B. Gillum accompanied her daughters, Marge and Juanita to Harvard Assembly for Friends' Night.

Tuesday evening Antioch girls attended a reception for Carol McClanahan, member of Rainbow State Executive Board, at Libertyville.

Sue Bloom and Jeannine Dow served as guests at Jewell Assembly in Chicago. Mrs. A. Bloom drove these girls and a couple more into

the city for the meeting. Friday evening, Mrs. Martha Hunter will be guest at Chicago No. 3 Assembly for Friends' night. Girls wishing to go should call Mrs. Gibbs.

Lindenhurst News

By Mrs. Bernice Bernau Miller 6-5649

Our two week vacation consisted of a trip to Chicago one day, where we went shopping, walked around the Buckingham Fountain, toured the Museum of Science and Industry and then visited our son, Edwards, who lives on the north side of Chicago.

A two day trip to the Mississippi Palisades near Savanna, was on the second week. The Palisades are noted for the rugged cliffs which overlook the Mississippi River. Within the park are caves, strange rock formations, old Indian trails, mounds and relics. We had supper on top of Eagle Point Park in Dubuque, Iowa. You can see Wisconsin, Illinois and Iowa from one point of the park. It is one of the most beautiful parks in the world. The second day we climbed up and down the ravines in Maquoketa Caves. Those stairs seemed a lot steeper this year, and the rocks harder to climb up and down. The rest of our vacation was spent taking care of our home (loke most of you did).

Club will meet Thursday, August 8 at 8 p.m. at the Civic Center. All members are urged to attend, to make final arrangements for the booth they will have at Lindenhurst Day, August 17.

Board Meeting If you want to know what is going on in your village, don't forget to attend the next meeting, Monday, Aug. 12. It should be interesting. Meetings start at 8 p.m.

New Baby Congratulations to Mr. and Mrs. Louis Hartokols, 2511 E. Thornwood Drive, on the birth of their third child and second daughter. Laura Lee was born July 28 at Victory Memorial Hospital. She tipped the scales at 7 pounds, 1 ounce. Welcoming their sister are Debbie 5½ & Steve 3.

The Hartokols have been leading an exciting life the past six weeks. They toured the Eastern states, Canada and the Smokies, etc. for 2½ weeks, covering 5,000 miles. Over the 4th of July holidays they went on a fishing trip to Holcombe, Wis., camping out.

On July 2nd, Anne celebrated her birthday and then on July 13 she had a birthday party for Steve, inviting 11 children.

About two weeks ago Anne's grandmother, Mrs. Louise Eberle of LaPonte, Calif., surprised them by arriving. She is staying with Anne's parents, Mr. and Mrs. Norman Eberle in Venetian Village.

Equipment Needed Lindenhurst Boy Scout Troop 84 is in need of some equipment that you may have laying around the house gathering dust. Wanted are quarter-inch rope, one inch round staffs, 8 inches in length; canvas, any size; 10-gallon can; lanterns; single bladed axes and files. If you want to do your good deed, call Willis Roeth at EL 6-5709 or Jim Hartwig at EL 6-7885. Your donation will be appreciated very much by the boys.

Hospital Patient Bill Flanagan was taken to Victory Memorial Hospital late Saturday after becoming nauseated and drowsy following being in an automobile accident Friday around noon. After being in the hospital till Monday afternoon for observation, he was released, having found nothing wrong with him.

Lois' father, Mr. Brunner, was guest of honor at a sur-

prise birthday party for him Sunday at the home of his sister, Mrs. Bernice Eberhardt in Wilmette. All the family were there except Lois and Bill. Mr. and Mrs. Brunner and Bill were hit by another car last Friday when they were on their way to Antioch on Deep Lake Road and 173. They were all shook up and had bruises. Lois and the rest of the children were riding in back of them. Luckily Dorothy Thompson came along and took the children home with her, so Lois could go to the doctor with her family. Mrs. Brunner went to the hospital in Chicago for a checkup after she got home.

Local Canine Makes Good

By Bruce C. Cairly
Swiss Alps Brandy returned from Battle Creek and Jackson, Michigan Sunday night with his owner, Gerald Shull of rural Antioch and his handler Bruce Cairly of Round Lake.

Wearing the laurels of his wins which put him closer to his championship he slept for the most part of Monday getting ready for the next trip. Twelve of the required 15 points have been won since his initial showing on April 12.

By May 12 he had already garnered 10 points including a 4 point win at Hammond, Ind., on his first showing. Gerald and Kay, his proud owners, have promised to take Brandy out for a steak dinner when he has finished his championship and will then start showing him as a "Special."

Brandy is well traveled at this point, having traveled about 3,000 miles and feels as much at home in Bruce's station wagon as in his kennel. He has stayed at some of the finest motels in Michigan, Illinois, Wisconsin and Iowa.

He is sorry to report, however, that he cannot give his opinion on the service in the restaurants but the left over steak is excellent.

County Fire Depts. Compete at L. V.

Lake Villa Fire Dept. was host to water fight teams from all over Lake County. Starting Friday night, contests were held for the men and teams were eliminated.

The finals were held Sunday evening starting at 5 p.m. The first place in the men's division went to Countryside Fire Dept. from Mundelein.

A novelty water fight was held with 4 participating women's teams from Antioch, Countryside, Fox Lake and Lake Villa. The 4 "unexperienced" members of the Antioch team were: Peggy Garvin, Shirl Gutowski, Judy Lubkeman, and Arlene Olzewski, plus one unidentified volunteer from Lake Villa. (Didn't catch her name).

Though this was the Antioch women's first attempt at water fighting, they were thrilled and happy to come home with the second place trophy. Countryside women also took first place.

The women were grateful for the side-line coaching of Bernie Gutowski who is a regular member of the Antioch Fire Dept. water fight team.

Medical Staff Formed for New Zion Hosp.

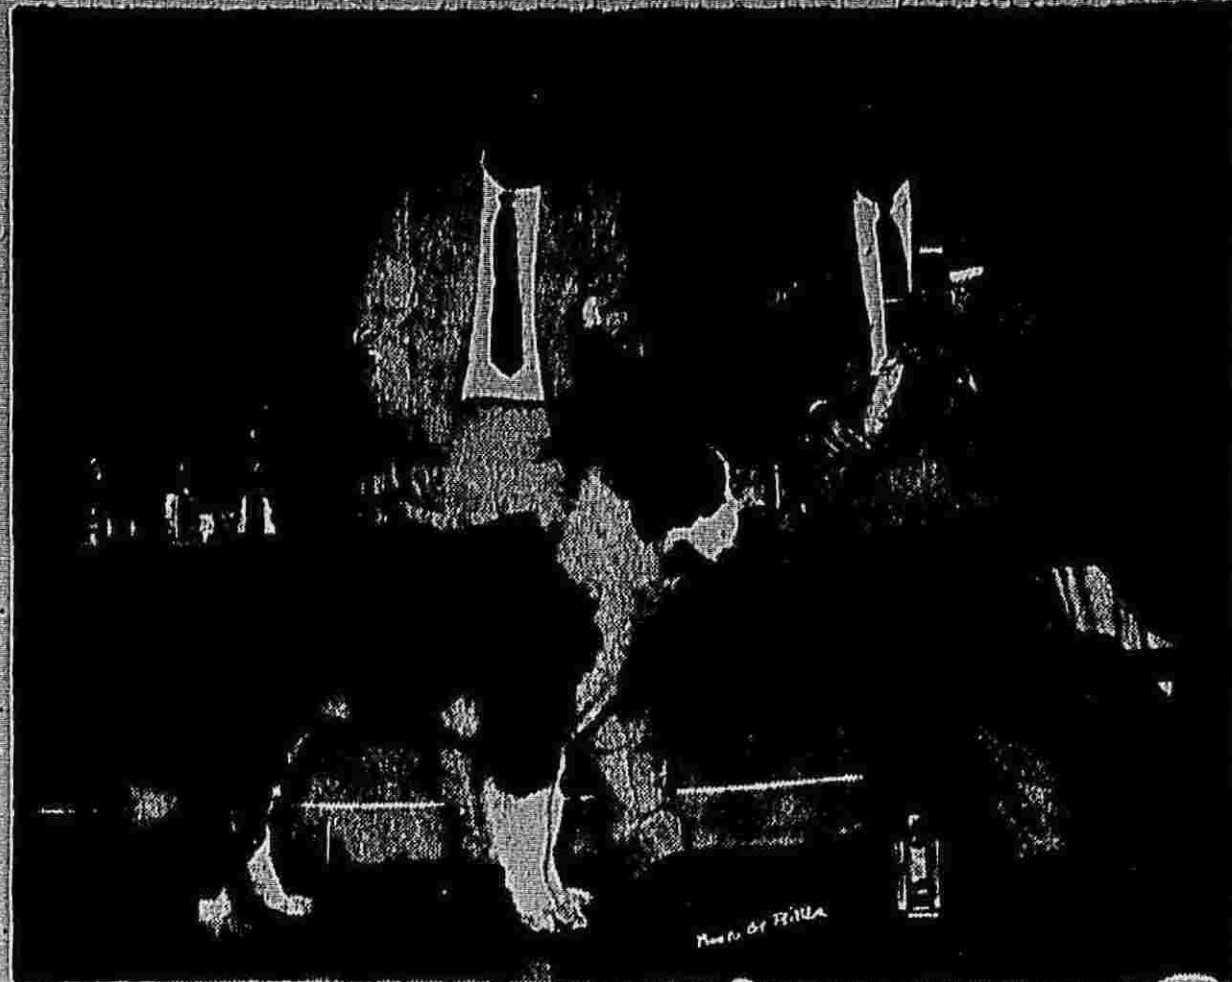

A new medical staff organization has been formed to staff the new Zion-Benton Hospital at Zion, it was announced today by Lee R. Fleming, the hospital's president.

The Zion-Benton Hospital recently acquired the physical assets of the former Zion Community Hospital, which was founded in 1958 by Dr. Lawrence Kalom. The new hospital's ownership is principally held by local citizens and it is their intent to operate the hospital as a community sponsored institution which will maintain a high level of care for patients and provide local physicians with adequate health facilities.

Officers elected by the newly organized medical staff were H. J. Solomon, M. D., president; Axel A. Pias, M. D., vice-president; and William Allen, M. D., secretary-treasurer. A new set of bylaws, rules and regulations, consistent with those recommended by the Joint Commission of Accreditation of Hospitals, was adopted. The medical staff is open to any qualified physician.

Lee R. Fleming, president of the hospital, said in making the announcement that everything is being done to set even higher standards than is customary, and that new equipment and new facilities and improved professional and ancillary staffs of personnel are being added to the hospital.

Serving as consultant to the hospital in the reorganization, is Banuel Cohen, formerly administrator of Mt. Sinai Hospital in Chicago. The Zion-Benton Hospital is a 100-bed, private, short term institution with facilities for general medical and surgical service, as well as pediatrics and maternity care.

DEATH NOTICES

JOHN J. HORA, SR.

Mr. John J. Hora, Sr., 64 years old of Sunset Oaks Manor Subdivision at Camp Lake, Wis., passed away Wednesday, July 31, at 3 a.m. in his home on County Trunk SA, suddenly from a heart attack.

He was born Sept. 13, 1898 in Chicago and had resided there until moving to Camp Lake in 1951.

He was a member of the International Association of Machinists union in Chicago. Mr. Hora had been employed as a material handler for Sunbeam Co. in Chicago for many years.

He was preceded in death by his wife Martha (nee Hendricksen) Hora on August 3, 1955.

His only survivors are one son, John J. Hora, Jr., of Brookfield, Ill., and one grandson.

Services were held at 11 a.m. Saturday at the Strang Funeral Home in Antioch, with interment in Liberty Cemetery north of Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Friends called at the funeral home after 2 p.m. Friday.

MRS. KATHERINE HYNK

Mrs. Katherine Hynk, 75 years old of Channel Lake near Antioch passed away Sunday, August 4, at 9 a.m. in Victory Memorial Hospital after one year of illness. She was born July 15, 1888 in Poland.

She came to America at the age of 14 years of age to reside in New York City before moving to Chicago where she lived for several years before moving to Antioch in 1920. She is a member of St. Peter's Church in Antioch, the Altar and Rosary Society of that church as well as being active in the medical missions of the church.

She is survived by her husband, William W. Hynk. Requiem mass was held at 11 a.m. on Wednesday at St. Peter's church in Antioch. Interment was in Mt. Carmel Cemetery in Antioch. The rosary was recited at 7:30 p.m. Tuesday at the Strang Funeral Home in Antioch. Friends called at the funeral home after 2 p.m. Tuesday.

FRIEDA PAGEL

Mrs. Frieda Pagel, 65 years old of Trevor, Wis., passed away Sunday, August 4, at 8 a.m. in Kenosha hospital after a two month illness. She was born Nov. 21, 1897 on the Pagel farm south of Wilmet, where she resided until moving to Trevor 11 years ago.

She is survived by her son, Alvin A. Pagel, of Trevor; three sisters, Mrs. Albert (Anna) Krahn, Kenosha, Mrs. Charles (Eddie) Pella, Burlington, and Mrs. Louise Grulich, Bristol, and two grandchildren.

Funeral services were held at 1:30 p.m. on Tuesday, August 6, at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiating. Interment was in Wilmet Cemetery. Friends called at the funeral home after 2 p.m. on Monday.

WILLIAM D. NERUD

Mr. William D. Nerud, 21 years old of Hwy. 59 south of Antioch, passed away Monday, August 5, 1963, at 6:30

p.m. in Condell Memorial

Hospital after being sick since June 1 of this year.

He was born July 8, 1942, in Chicago, where he lived until moving to Antioch in 1957. He held membership in the Millburn Chapter Order of DeMolay at Millburn, and was a Master Builder of Lawnday Chapter No. 10 Order of the Builders in Chicago.

He graduated in 1960 from Antioch Township High School, then attended Northwestern University for two years, before attending Walton School of Commerce in Chicago. He had been a part time employee at Kennedy's Mobile Filling Station at Antioch.

His survivors are his parents, William E. and Lillian Nerud, of Antioch, his maternal grandmother, Mrs. August Kuehta, Antioch, and one aunt, Mrs. Joseph (Marie) Nemec, Antioch.

Funeral services will be held at 2 p.m. today (Thursday), at the Strang Funeral Home in Antioch. Rev. Stephen Liddicoat of the United Protestant Church at Grayslake, Ill., officiating. Friends called at the funeral home after 7 p.m. Tuesday.

DONALD M. KAMMER

Donald M. Kammer, 20 years old of Edwards Road, Antioch, passed away Monday, August 5, at 9:40 p.m. from drowning at Willow Park, in Bruce Lake, near Grayslake.

He was born Nov. 4, 1942, at Kenosha, Wis., and resided there until moving to Antioch in 1949.

Mr. Kammer held membership in the Faith Evangelical Lutheran Church at Antioch. He graduated from the Antioch High School in 1961.

He had been employed as a machine operator for Good-year Rubber Co. in North Chicago, and held membership in Local Union No. 532 of the United Rubber Workers.

Survivors are his mother, Mrs. Edna Kammer, two brothers, Clarence and Kenneth Kammer, all of Antioch; and his maternal grandmother, Mrs. Anna Janst, Kenosha.

Funeral services will be held at 1 p.m. today (Thursday) at Faith Ev. Lutheran Church at Antioch. Pastor M. E. Otterstatter of that church officiating.

Interment is in Hickory Union Cemetery, near Antioch. Friends called at the Strang Funeral Home after 2 p.m. on Wednesday until 11 a.m. Thursday when he will be resting at the church until time of services.

Bristol Band To Appear at Fair

The 38-year-old Bristol Band will present an afternoon concert during the 43-year-old Kenosha County Fair Sunday, Aug. 11, at the fair grounds beginning at 3:30 p.m.

The 50-member band is composed of residents of Illinois and southern Wisconsin towns. It boasts 12 to 14 baton twirlers and Miss Therese Mattis, Trevor, is soloist with the band.

Louis "Doc" Koehn, Salem, is band association president. According to "Doc" the band will play the "latest date ever," winding up the current season with an engagement at the 125th anniversary celebration of Union Grove on Sept. 15.

To date, it's played at Antioch, June 28; at Delavan for the Fourth of July parade, more recently at a fund-raising parade and concert benefiting the new hospital at Lake Villa, and on July 28 played at the Veterans' parade in Burlington. Another appearance was at Mukwonago Aug. 4. The band began the season marching in the Memorial Day parade in Kenosha.

Years ago no doctor would pass an accident without helping the victim. Sad to tell this courtesy today is rare. But there's a lot to be said for the doctor's dilemma. He won't help because he fears a law suit charging neglect or malpractice. Thus the victim is neglected and the doctor maligned. Because these lawsuits have gotten out of hand, 14 states

111th Illinois State Fair Opens Friday, August 9

SPRINGFIELD, Ill.—When the 111th Illinois State Fair opens Friday, August 9, the day's festivities and events will honor children and youth and also pay tribute to agriculture.

Youngsters' organizations from throughout the state will shine in opening day events including a tremendous parade from the main gate to the Grandstand. Jim Hardie, of television's "Wells Fargo"—who is Dale Robertson in real life, will be in the parade.

Junior and senior kings and queens will be selected to reign over children's and youth's activities. After announcement of royal winners at the Grandstand, the two coronation ceremonies will take place at the Illinois Building.

In keeping with its reputation of being the nation's biggest agricultural exposition,

this year's Farm-a-Rama will have an unprecedented "mile-long display of agricultural equipment." Agricultural leaders and others associated with farming endeavors will be guests of Kiwanis Clubs members from throughout the state at a luncheon at the new Junior Livestock Building.

Afterward Gov. Otto Kerner will take part in the dedication of the structure. While attending the afternoon quarter horse racing, outstanding achievement awards will be received by agricultural organization leaders from the governor.

That evening, Friday, Aug. 9, two performances of the famous Castle's International 3-ring circus will take place in front of the grandstand.

Among the all-new attractions at this year's fair which will continue through Sunday,

Aug. 18, will be a parachute-tug tower for children. Fifth Army personnel will supervise this free feature. Another unique sight will be the "Torra Jet" car which travels on an air cushion four to six inches above the ground. It carries two persons and measures eight by ten feet. Also in the realm of the extraordinary will be soaring displays by "Rocketeers" wearing jet-equipped corsets.

Personalities at the fair will include television star Debbie Drake, who will demonstrate exercises and tell about her formula for keeping trim, and Leo Phillip, winner of six Emmy awards, who will be hostess for the Ladies Day program.

An International Trade Bazaar in the Exposition Building will be another new attraction featuring merchandise from the free countries and displays of Illinois products as well.

Other grandstand attractions are: Grand Ole Opry, Saturday night, Aug. 10; Holiday on Ice International, two evening shows Monday through Friday, Aug. 12-16; the Andy Griffith Show, Saturday night, Aug. 17; daily afternoon harness horse racing, except Sunday, Aug. 11, Veterans' Day; Saturday, Aug. 17, afternoon automobile races, and Sunday, Aug. 18, afternoon motorcycle races.

To me—old age is 15 years older than I am.—Bernard M. Baruch.

BREAD AND BUTTER PICKLES

- (8 quarts)
- 25 medium cucumbers, sliced
- 12 onions, sliced
- 1/2 cup salt
- 1 quart vinegar
- 2 cups sugar
- 2 teaspoons each: mustard seed, turmeric, celery seed and cassia buds.
- Scrub fresh cucumbers

with a brush until clean. Slice cucumbers and onions into ice water and add salt. Let stand overnight or for 3 hours to crisp. Boil vinegar with sugar and spices for 5 minutes. Add cucumbers and onions after draining well; heat for 2 minutes without boiling. (Too vigorous cooking softens the pickles.) Fill washed, scalded jars with hot pickles; add sirup, and seal.

HENSLEY MOTORS WINS IN ELEVENTH

Monday night it was a see-saw battle between the league leaders Hensley Motors and Pete Matteoni's Gibbs & Jensen's team. Final score was 13 to 12. Trailing 7 to 4 going into the 9th, the Sportsmen rallied for 4 runs to take an 8 to 7 lead, only to have the motemen come back and tie it at eight all on Jim Hofer's single and Joe Flaschner's triple.

In the eleventh the sportsmen scored 4 times to take a 12 to 8 lead and it looked like the game was on ice, but Hensley Motors came back with 5 runs to win the contest.

Rich Pahlke who took a beating looked like his father

George Pahlke who was sitting on the bench as he came off the field holding one arm and limping.

Rich, who went into the game hitting .648 went 2 for 6 at the plate and dropped off to a .604 average, still tops in the league. Sid Parker hit for 2 safeties and is hitting an even .600. John Bishop had 2 for 6, Les Geist 2 for 6, Denny Swanson 2 for 2 and Rudy Selak went 3 for 5 as Gibbs & Jensen lost their 7th of the season.

For Hensley Motors it was their 7th win and their highest hitting game as they bashed out 24 hits.

Ray Nosko had 1 for 6 but it was a big one as he tripled and scored in the big 11th. Jim Hofer went 4 for 6, Ralph Remuse 3 for 6, George

Rodis 4 for 5, Bob Hofer 2 for 6, Denny and Guy Flaschner 1 for 6 and Ron Well, the winning pitcher, had 1 for 5.

George Pahlke had 2 for 6 and a very important 2 bagger in the 11th which tied the score, and seconds later the winning run on Ralph Remus' hit to center.

Joe Flaschner was the big gun of the game with 3 singles, a double and a triple in 4 trips to the plate to raise his average to .472. Manager Pete Matteoni of the Golfview All-Stars suffered a second blow of the night when Chuck Mittlevic his all-star outfielder showed up at the game on a pair of crutches due to an injury dealt to him Sunday afternoon.

THURSDAY, AUGUST 8, 1963 THE ANTIOCH NEWS 7

News of Lakesports

Records are Toppled at Wilmot Raceway Sat.

Modified stocks car drivers at the Kenosha County Speedway broke two track records Saturday night in a fast and hard night of racing that saw several cars leave behind the wrecker following track accidents.

Bill Shoulders of Waukegan took the lead in the 35 lap feature on the third lap from Ron Larson of Racine and went on to win and set a new track record in a time of 11:05.73 averaging 52.85 mph. The old record, set by Milt Curcio of Racine, in 1958 was 52.79 mph.

The real battle in the feature was bar behind the flying Shoulders as Stillman and Sullivan, running one and two in the point standings, battled for second place with Stillman finally getting by Sullivan and taking second.

Bay Darnell of Deerfield, Ill., had a big night as he won the third race taking the lead away from Matt Krohn of Lake Geneva, on the last lap. Bay then went

on to win and set a new track record in the 15 lap semi-feature, winning in a time of 4:51.05, averaging 61.38 mph.

Heat race winners were Bob Seamars of Milwaukee; Bob Norman of Trevor; Bay Darnell and Jim Bozman of Waukegan. Spectator car races were won by Bob Darnell of Waukegan; Bill Robis of Antioch; and Dick Aissen of McHenry.

Among some of the cars to roll over and leave the races via the wrecker route were: Glen Elchman of Waukegan; Ralph Timan of Mundelein; and Claude Potter of Twin Lakes. Each left following tangles in the 2nd heat.

Elchman and Matt Krohn each received large cakes from their fan clubs. Pop Kline of Pell Lake, Wis., was honored during Driver Interview time.

Next Saturday night's racing program will be during the Kenosha County Fair and winners' awards will be made in the Feature and Semi-feature race.

BOATING WITH BOWMAN

By Hank Bowman
(Courtesy Sequoit Harbor)

CARRY THE RIGHT TOOLS FOR BOATING EMERGENCIES.

Many of the outboarders' motor problems can be simply remedied on the spot if he has the proper tools, but

its exciting features is that the shell ejecting and reloading mechanism is gas operated. As a result, the action is self-cleaning and stays that way even after hundreds of shots. But the big thing is that the recoil on this model is 55% less than on other types of actions, and on magnum loads is 40% less than other automatics. If you think this is not an important factor for us lighter weight hunters, just guess again. I remember some years ago when we had plenty of mudhens on Grass Lake, and we used opening day as a means of sharpening up the old shooting eye for the upcoming duck and pheasant season. I used to shoot up 8 to 10 boxes of shells in about an hour or less. I'd wind up black and blue from the shoulder down to the hip. That is why I went to a 16 gauge gun. If I were to limit myself to one gun for all purposes, it would be this one with a 28 inch barrel and bored Improved Cylinder. This gun is excellent for upland game and will kill ducks regularly at 40 to 45 yards, which is the range at which most hunters knock 'em down, regardless of how the gun is bored. There are darn few hunters who are good enough shots to get 'em beyond that range with any degree of consistency. Sure, they scratch one down occasionally at 60 yards or more, but not often. Besides, 40 yards looks like 70 against a fast flying bird. This gun is also good for skeet and trap. Stop in at Ray's and look this gun over—but leave your wallet home and bring your bib along—to catch the droolings.

A drift to dislodge jammed shear pins.

A pair of common pliers to remove cotter pins or tab locks.

A small adjustable wrench suitable for use on fuel line fittings and for tightening loose bolts.

A roll of electrician's tape for emergency wiring repairs.

In addition to these tools, I would suggest a spare set of spark plugs, pre-gapped to the manufacturer's recommended electrode opening.

Most plugs are sold with the electrodes spaced at .030" or more. The gaps should be adjusted to the motor manufacturer's specification.

A can of lighter fluid will serve double duty to refuel your lighter and to give you an excellent degumming fluid for cleaning fouled spark plugs.

If the lower unit of your motor is equipped with shear pins, be sure to carry a spare supply. Include a supply of cotter pins and at least one spare prop nut.

A jackknife can be used for skinning wiring insulation, scraping carbon deposits or cutting away a snagged fishing line from your prop assembly.

A flashlight will help you pick up a mooring buoy in the dark, spot the number on a channel marker or even locate the tools in your box.

Better include a spare bulb or two for your boat's lights and a few spare fuses.

A tube of lower unit grease in your tool kit will serve not only as a reminder that the lower unit needs attention from time to time, but it's also the ideal lubricant for remote controls, motor fittings and to coat your propeller shaft whenever you have occasion to remove the propeller.

If the gold drain keeps up the next military installation to be closed will be Fort Knox.

So Jacques Koppen just returned from a Canadian fishing trip. Walleyes, northern, muskies and smallmouths aren't good enough for him. HE went after German Brown Trout, and got. (You wouldn't have a couple of 'em you don't want, would you Jacques? I've got a sick friend who'd like a pair of 'em frying in his skillet.)

Carlucci Hurls No-Hitter Game In Tournament Play Sunday

By Bill Ferris

Sunday afternoon Dick Carlucci threw the first no-hitter in Golfview Park as Emerson Bulck of Fox Lake defeated Connie and Fraggall of Deerfield 2 to 0.

This was the Richard Seyfarth Memorial tournament and the biggest in this part of the country saw eight teams advance a notch, and 88 others were eliminated.

Home runs by Bob Doyle and Eddy Zaitz in the first inning was the margin of victory, as from there on only five singles were hit. Wally Ring, Shorty Reiche, Dick Goding, Jack Lawrence and Eddy Zaitz providing.

Saturday evening before a capacity crowd it was Koltyn Koncrete of Racine, Wis., 10, and our local Golfview All-Stars 5.

In game 2, it was Hottermann of Johnsonburg, Ill., 13, Quidl Vidi from Highland, Ill., 12.

Game 3—Bimbo's out of McHenry, Ill., and a strong contender, whipped Zenith Corporation of Chicago, 21 to 15.

Sunday afternoon in the first of five games played, it was Puzzle's Tavern out of Waukegan over Lake County Pipe Supply 10 to 9.

Game 2 was the history maker as Emerson Bulck won over Connie and Fraggall 2 to 0 on Carlucci's no-hitter.

KL's Tap, winner and last year's champions of this tournament, defended it by beating Whiteman and Fry, also out of Waukegan 12 to 6, in game 3.

In game 4, Bally Muck down by 8 runs in the first inning, rallied to beat Don's Old Bridge out of McHenry, 13 to 10.

In the nightcap it was Schwery's, another Waukegan entry, 11 and Emil's Tap from Mundelein, 6.

Next Saturday the Schedule calls for 4 games. At 5 p.m. Gehuald's of Round Lake take on Tirabassi's, Kenosha state champions.

At 6:30 Small's, out of Waukegan, play Cliff's 3021 Club.

At 8:00 Koltyn Koncrete of Racine vs. Hettermann's.

At 9:30 Bimbo's vs. Puzzle's.

At 4 p.m. Emerson Bulck vs. KFs Tap.

At 5:30 Bally Muck vs. Schwery's.

Dodgers Split In Little League Play

In Little League action this week the Dodgers defeated the Cubs 17 to 6 Tuesday at the Little League Park. John McDonald took credit for the win in his first appearance of the season as a moundman.

McDonald also collected 3 for 4 at the plate to aid his own cause. One of the hits was a home run. The losing pitcher was Frank Zeman.

Friday, August 2, the Sox won out over the Dodgers in a seesaw affair 7 to 5. Jim Kopriva was the winning pitcher while Mike Lindstrom took the loss for the

Bowling Leagues Schedule Meetings

With the approach of the bowling season two league meetings are now scheduled. The Major League will hold an organization meeting Friday, August 9, at 8 p.m. Any teams interested are urged to attend.

Monday, August 19, at 8 p.m. the Monday Night Tavern-League will hold their initial meeting. Both are scheduled for the bowling alley.

Dodgers. Dennis Rockow collected the only home run of the game.

Kannie Takes Feature At Waukegan Track

Len Kannie of Kenosha nosed out Dennis Burgan of Zion in the first combined late Model Sportsman feature race for 25 laps under new Waukegan Speedway rules.

All fender cars are eligible to run if proper safety equipment is installed.

Time was 6:50:12 for the winner in a 1958 Chevrolet stock car. Jim Cossman of Waukegan was third over the line trailed by Waukegan's Bob Dugan in a 1961 Ford.

Several crashes and spins marked the event run on a heavy track but no injuries were sustained.

Other Saturday night winners were: O'Dell Jones, Waukegan, first in the semi-feature for 15 laps; Andy Anderson; Waukegan, first heat; Burgan, second heat; Jimmy Nottingham, Gurnee, third heat; Ed Jones, Waukegan, 4th heat; Tom Schweiss, Novely back up race for 8 laps forward and two reverse.

Schweiss hails from Fox Lake. Ray Dixon of Gurnee was fast qualifier on the quarter-mile, muddy rain-soaked track with .2636 sec-

onds.

Steve Wright of North Chicago came home third in his heat race in the opener which saw cars spinning into the infield and off the corners.

Len Kannie and Bob Dugan had 2nd and 3rd wrapped up in heat No. 2 while Jim Luther and Tommy Dill of Zion were 2nd and 3rd in the No. 3 event. Ed Smith and O'Dell Jones grabbed second and third spots in Heat No. 4, which was run in 3:53:46 for the fastest 10-lapper of the evening.

Promoters Bob Karry and Gordon Sill have issued a call for more "thrill cars" to run in Novelty events. These machines must be amateur driven and not cost over \$75. They can also earn a spot in heat races, Bill pointed out.

Under the new rules, a "thrill car" can share in the newly arranged purse system which gives the Saturday night fender cars a bigger slice of the dollars. If enough of these "economy racers" show up, Sill has promised a special heat race will be set up for the class.

Rollin' Wheels Rink**
Rollin' Wheels Rink of Twin Lakes put away their skates and put on their twisting shoes for a twist contest held there every Wednesday evening.
The contest which is now in full swing runs for a series of three weeks with the winning couple of each series being presented with an engraved trophy.
The winning couple for this series were Kirk Kube of Camp Lake, Wis., and Jackie Baillas of Wilmet. They will compete with the winning couple of the next three week series on the night of Sunday, Sept. 1. The winning couple of this series will each be presented with an engraved trophy declaring them the summer twist champions.
The couples selected last Wednesday were Carol Puls of Franklin Park, John Gellert of Chicago, Karen Galski, Twin Lakes, and Roger LaFalle of Richmond. Second week series began Wednesday, Aug. 7, and judging was by the Crossfires.

Jackie Baillas and Kirk Kube hold trophies they won in the first series of the Twist Contest.

The guy who promised himself all winter that he'd walk to work when the weather got nice has compromised by putting his car on the far side of the parking lot. He'll walk when it cools up a little.

DILL PICKLES
Wash medium sized fresh cucumbers and put them into quart glass jars, filling them. Add 1/4 cup of salt, 1/4 cup cider vinegar, then fill to the top with clean, cold water. Put in a sprig or two of dill—the seed cluster—add a clean fresh grape leaf (optional) put on the lid. These will keep at least one year.

**News of Veterans
Special Insurance**
According to Mr. Edward B. Akin, Administrator, Illinois Veterans' Commission, many Korean veterans who were eligible and applied for the Veterans' Special Insurance following their separation from service will forfeit their right to the special dividend on this type of insurance if they do not convert their "RS" type policy by September 13, 1963.
Mr. Akin also stated that this dividend was made possible by the 87th Congress and the amount of dividend would depend on the amount of insurance carried by the veteran and how long it has been in force—the average dividend being \$100. If the veteran does not convert to one of the "W" type policies by the above date he loses his cash dividend.
Mr. Akin further stated that the veteran in converting his "RS" policy for the "W" Term policy (5-year Limited Convertible Term) the insurance premium on the new policy would be about one-third of the present premium rate.
For further information on this dividend and savings on and holding "RS" policies should contact the nearest Illinois Veterans' Commission Office at 108 South Genesee Street in Room 203-4, Waukegan, Ill. The office is open Monday through Friday between the hours of 8:30 a.m. and 4:30 p.m.

LAKE VILLA—Country-
side Fire Teams won honors.
The Countryside Firemen's
and Women's water fighting
teams won the championship
for water fighting Sunday
night at the Lake Villa annual
Firemen's Festival. Other
teams participating were
Wauconda, Mundelein, Fox
Lake, Lake Villa and from
several other towns. The
weather was ideal for their
festivities; rides and games
were enjoyed by all.

Royal Neighbors
The Royal Neighbors of
Cedar Lake Camp will meet
Tuesday, August 13, at 8 p.
m. at the Lake Villa village
hall. On Wednesday, Aug.
14, they will hold a salad bar
luncheon and card party at
12:30 noon at the Lake Villa
village hall. There will be
table prizes. Come and meet
your friends and enjoy the
afternoon.

VFW Downey Dance
The Lake Villa VFW Aux-
iliary will sponsor a dance at
Downey - Thursday, August
15. They will leave the VFW
hall at 6:20 p.m.

Condell Patient
John Effinger is a patient
at the Condell hospital in
Libertyville.

Elta Sciacero is still a pa-
tient at the Lake County Hos-
pital in Waukegan. Cards
would be appreciated.

Neil Reidel is a patient at
Mayo's Clinic at Rochester,
Minn. He expects to be
home soon.

Mr. and Mrs. James Mc
Grain and family were vis-
itors Sunday at the home of
Mr. and Mrs. Frank Slazes,
Sr.

Mr. and Mrs. Bob Hamlin
of Lyons, Ill., spent the week-
end at the home of Mr. and
Mrs. Lester Hamlin.

Mrs. Joe Newingham and
children spent the weekend
at the home of Mr. and Mrs.
Stanley Hollis of Waukegan.

Norman and Evert Nelson
of North Chicago were vis-
itors Saturday at the home of
Mr. and Mrs. Fred Bartlett,
Sr.

Mrs. Raymond Rathmann
attended the American Leg-
ion Convention in Chicago
over the weekend.

Sheridan Burnette of Anti-
och spent a few days at the
home of Mr. and Mrs. Jacob
Fish.

Mr. and Mrs. Joe Botts re-
turned recently from a vaca-
tion at Chetek, Wis. Their
son, Danny, also vacationed
at Chetek with his parents.

Mr. and Mrs. Louis Wil-
liams of Bristol, Wis., were
visitors Saturday at the home
of Mr. and Mrs. Henry Jarvis.

"WHAT ABOUT YOUR FUTURE?"
It is important to learn what man's
destiny is -- as God's image and
likeness. As this program brings out
many people have transformed
their lives by linking their lives
to a higher purpose.
